

write for pts in first 4 rows

Experiment: Precipitation Reactions

1. silver nitrate + sodium hydroxide \rightarrow sodium nitrate + silver hydroxide

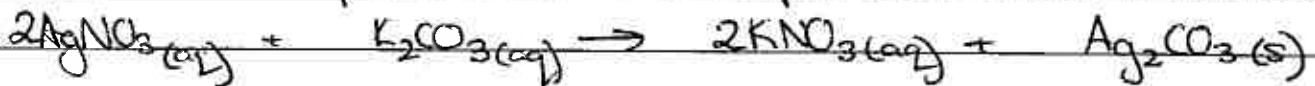

2. silver nitrate + potassium iodide \rightarrow potassium nitrate + silver iodide

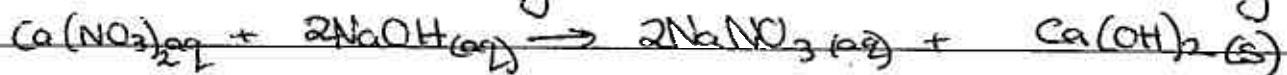

3. silver nitrate + sodium chloride \rightarrow sodium nitrate + silver chloride

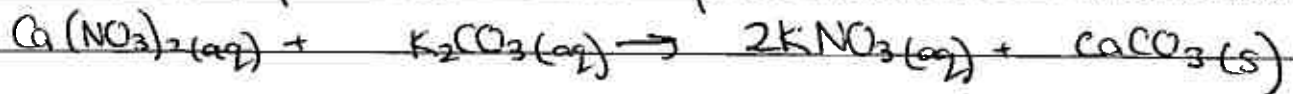

4. silver nitrate + potassium carbonate \rightarrow potassium nitrate + silver carbonate

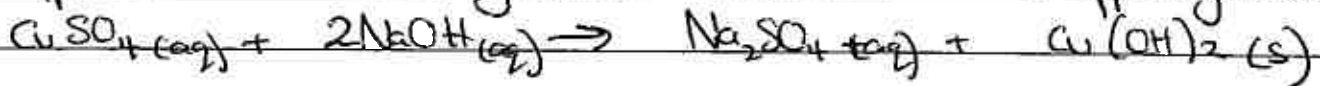

5. calcium nitrate + sodium hydroxide \rightarrow sodium nitrate + calcium hydroxide

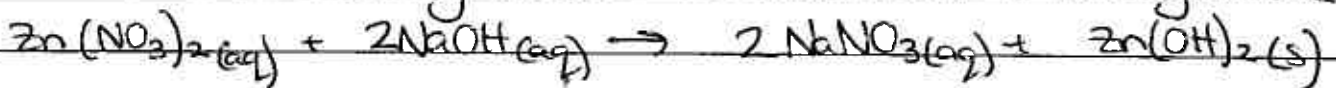

6. calcium nitrate + potassium carbonate \rightarrow potassium nitrate + calcium carbonate

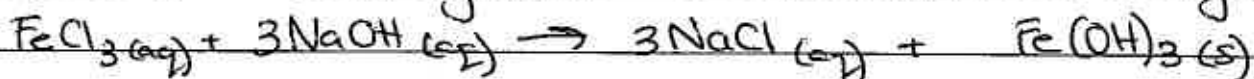

7. copper sulfate + sodium hydroxide \rightarrow sodium sulfate + copper hydroxide

8. zinc nitrate + sodium hydroxide \rightarrow sodium nitrate + zinc hydroxide

9. iron chloride + sodium hydroxide \rightarrow sodium chloride + iron hydroxide

10.
